IN DEDICATION TO MR. WALT LITTLE

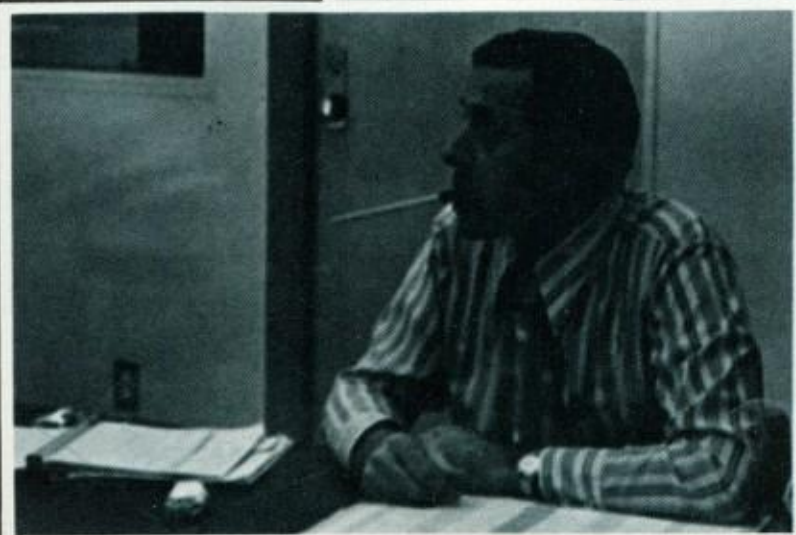

Mr. Walter C. Little joined the El Monte Union High School District in 1949, serving first as a teacher of art at El Monte High School for three years, then chairman of the art department at Arroyo High School, and now yearbook advisor and art instructor specializing in ceramics at Mountain View High School.

A graduate of Manual Arts High School, Mr. Little took college work at Kansas State College and George Pepperdine University where he received his bachelor degree and post-graduate work in the major field of fine arts, specializing in ceramics and painting, with minors in Social Science and Education.

In 1955 when he took on the task of establishing the art department at Arroyo High School, he was responsible for pioneering many courses of study and served as department chairman for fifteen years.

In addition to his work in art, Mr. Little has taught navigation and geographical studies and helped set up a navigation and reconnaissance training program while in the United States Air Force at Waco, Texas.

In all of his twenty-five professional teaching years, Mr. Little has demonstrated a strong concern for people and their welfare. In this respect he has always found time to give extra attention to others, whether it be in sponsoring student groups, such as the Christian Crusaders and Art Clubs at Arroyo, or by boosting professional standards through service as Vice President of the District Teacher's Association.

It is in gratitude for the skillful work, concern, and human sensitivity shown toward students and staff members alike, that this 1974 AEGIR is dedicated to Mr. Walter C. Little.

SPRING

As the first graduating class of Mountain View High School, these Seniors had a really great time as they prepared for graduation. Events such as the Sweetheart Ball, paper drives, the magazine drive, and planning for future Senior activities as the All-Night Party, graduation itself, Senior Night,

SENIOR

and others were some of the things that kept the Senior Class moving. After taking a long look back at all the things that this class has gone through, from choosing the school colors and mascot to the graduation ceremonies, it's been a fantastic experience for each and every one of them to have been a part of the beginning of Mountain View High School.

The Sophomore Class officers had their share of activities during their semester of office and were able to get some things accomplished. They sponsored the third annual Sadie Hawkins' Dance,

which was a success, and also had fund-raisers such as the sale of Viking Pennants and Spirit Ribbons during the football season. They had a pretty busy semester and did a fine job for the Sophomore Class.

The Freshman Class officers for the spring semester did its best in having activities for their class during their term of office. They were able to have a volleyball game during lunch time and also

helped get ready for Western Round-Up Day. Although these students had a hard time getting used to all of the problems that a new class runs into, they did a nice job in getting settled at Mountain View High.

NOVEMBER 9, 1973 proved to be a truly exciting night for all Vikings as the first Mtn. View Homecoming Queen and Court were announced. Surrounded by Flashrangers, cheerleaders, and Drill Team members, 1972 Queen Ruby Camarena announced each princess as excitement and suspense grew. Finally, our 1973 Homecoming Queen was crowned.... Debbie Gaytan!!! Following the San Gabriel football game, M.V.'s first Homecoming King and Court were announced at the dance as Ron Kalama and Debbie Gaytan served as our first Homecoming couple.

ASSEMBLIES

SADIE HAWKINS DANCE

Sponsored by our Sophomore Class Council, this year's Sadie Hawkins Dance proved to be a real success. On November 21, 1973, from 8:30 - 11:30, identically clad couples danced and had a lot of fun.

SWEETHEART DANCE 1974

WESTERN ROUND-UP DAY

For the first time in the history of M. V. H. S., a Western celebration was held on campus on February 15. Known as "Western Round-Up Day," events such as square dancing, a costume contest, booths, tug-of-war, three-legged race, wagon race, and others took place during lunchtime. It proved to be a very successful event for everyone and will hopefully take place again next year.

Can it be possible that Mountain View High School is graduating it's first full four year Senior class? My, how quickly the time has passed since these walls were being erected and the great Viking Ship launched into the main stream of public school life.

This year's graduating class will always hold a unique place in our memories, for it was this group of seniors who, as freshmen housed on other campuses, chose the colors, selected the mascot, set up the first student government, and made many other very wise and commendable decisions. The satisfaction in knowing that you participated in the pioneering work of creating a new comprehensive high school will, I'm sure, become and increasing satisfaction during the years to come.

Everyone has worked hard to produce another outstanding year. Your wonderful cooperation and friendliness is a genuine inspiration to all.

Certainly, I want to commend the Aegir staff under the direction of Mr. Walter Little, for their tireless efforts in producing this beautiful book as a lasting record and memory.

God has been good to us all! Without a doubt, you, the students, staff members, and friends of Mountain View High School stand among my richest blessings.

VARSITY

CHEERLEADERS

"WE ARE the mighty Vikings of M.V.H.S.!!!" was just one of the many cheers that were led by our Varsity cheerleaders this past year. With a fantastic Viking Student Body behind them all the way and with outstanding performance on the field, mat, court, and track, our squad of cheerleaders kept up the Purple Pride and stayed with our teams through victory and defeat. Headed by Terry DeBellis, our Varsity cheerleaders did a fine job in keeping the Spirit Machine alive and moving with the help of other Vikings.

FOOTBALL

Frank Rios
Most Valuable Player

A lot of hard work and Viking Determination was put forth by our Varsity football team this year as they competed in the Mission Valley League. Our guys did a really great job as they worked hard for each game and were always ready to go out on the field and do their best for Mountain View. Anger, determination, happiness, pain, and sorrow were just a few of the emotions that were experienced by our guys, but of them all, VIKING PRIDE was the strongest.

A black and white portrait of a young man with dark, shoulder-length hair, smiling at the camera. He is wearing a dark-colored basketball jersey with white trim around the neckline and armholes. The jersey features the text 'MT VIEW' in a bold, sans-serif font across the chest, with the number '21' printed below it. A white rectangular box is positioned at the bottom of the image, containing the text 'Danny Nakauchi' on the first line and 'Co-Captain' on the second line. The background is a plain, light-colored wall.

The P.T.A. has done a great job this past year helping the various clubs on campus with their school activities. As well as helping M.V.H.S. in many ways, they have worked hard in improving parent-student relationships and have raised funds to help finance student activities.

This year our group of parents raised more than \$2,000 and spent it on such things as a curtain for the gym, baseball pitching machine, tennis ball pitching machine, assorted athletic equipment, and awards and equipment for the weight training center.

OUR MV

With a lot of hard work and planning, our Lettermen's Club has been able to create something unique for Mountain View: an MV rock block for the school. By gathering rocks from Fish Canyon, making a detailed frame, choosing the colors, deciding how it would look, and painting the rocks were many of the things that our Lettermen's Club had to go through to accomplish this fine project. This group of lettermen felt that the MV rock block would be something that all the students could identify with but would also relate to the lettermen.

MANY THANKS TO MRS. JULIA IRWIN

It is with great pleasure that we offer this small tribute to Mrs. Julia Irwin, retired secretary to Dr. Berry, principal of Mountain View High School.

Although Mrs. Irwin has worked with us for just two and a half years, we will remember her for many more years to come. One soon recognized, after meeting her the loyalty she expressed to and the pride she held for everyone here at Mountain View. Her work always exemplified the best she could give to those around her.

And so, to you, Mrs. Irwin, we say, "thank you", for many things and wish you lots of happiness in your retirement years.

Sincerely,
The Students and
Faculty of Mtn. View

Mr. John W. Lee
Born: August 11, 1929
Passed Away: July 28, 1973

IN MEMORIAL TO MR. JOHN WESLEY LEE

John Wesley Lee was a big man. He stood tall as a person, both literally and figuratively. A man who paid attention to an orderly progression of meaningful pursuits; a man who prepared himself for eager service to his family, his creator, his community, and to himself.

He was a great planner; he never left important developments to chance.

John was much more than a skillfull technician and mechanic; he was an engineer of human relationships as well. He paid particular attention to the personal needs of students and teachers in his department, and was continuously relating those needs to the communities he served. People were after all, his greatest concern.

John could reach the reluctant youth; he could overlook the temporary objectional symptoms in favor of the positive good that could result from virtually any situation.

He had unusual vision for the potential achievement of others, as well as himself. He believed that EVERY PERSON could be REACHED and MOTIVATED TO REACH UP and TO DO his best, if the right approach could be found and applied.

I would like to take this opportunity to thank my Aegir Staff and Editors in making this book a success.

Our generation is a time where ideas are traded and opinions clash, to produce eternal truths. We are a generation wide open to the bitter-sweet smell of success and failure. And we are constantly in the search to find ourselves.

We are these people, by this hard work you have produced our 1974 edition of the Aegir.

I hope that when you look back in the years you think of all the good times you had.

I would like to give my special thanks to Mr. Little for all his patience and time in this book, and also I would like to thank Mr. Wigton for all his time in taking pictures for us. We couldn't have done this book without them. Thanks Again!
